For the more intimate occasion, the Cyril Acton Suite accommodates up to 100 guests and is ideal for smaller weddings, parties and celebrations. The suite, with double doors leading to an extensive patio area, has superb views across the Cheshire countryside and offers an excellent photogenic background. The flexible space can be tailored in a variety of styles to suit a range of functions, yet with its own bar and air conditioning it offers an ideal venue for a smaller, more intimate reception.

The Lewis Room
